## Tasting and presentation tables

Presentation tables are light-weight and very effective ways of your presentation during the company's marketing activities like tasting, cosmetics exhibitions as well as different presentations of your services. It's characterized by easy manipulation and effective presentation wherever you wish. Presentation tables offer good relation between price and presentation effects. Presentation tables, offered in wide range, are suitable for each presentation. Also wide range of accessories like logos, roofs, umbrellas, shelves and wheels create valuable presentation medium. Tables are delivered in blue nylon bags which provide easy manipulation and protection of the tables.
